Articles

WASTE

[Plastic-eating worms could help wage war on waste](#)
[Greenpeace calls for action as huge rubbish islands reach Arctic circle](#)

ENERGY

[British power generation achieves first ever coal-free day](#)
[Renewables' deep-sea mining conundrum](#)

[World breaks through carbon dioxide threshold, putting it higher than it has been for millions of years](#)

CLIMATE CHANGE

[March against madness - denial has pushed scientists out into the streets](#)

['The scales have tipped': Majority of investors taking action on climate change](#)

[Walmart to cut one billion tonnes of supply chain emissions by 2030](#)

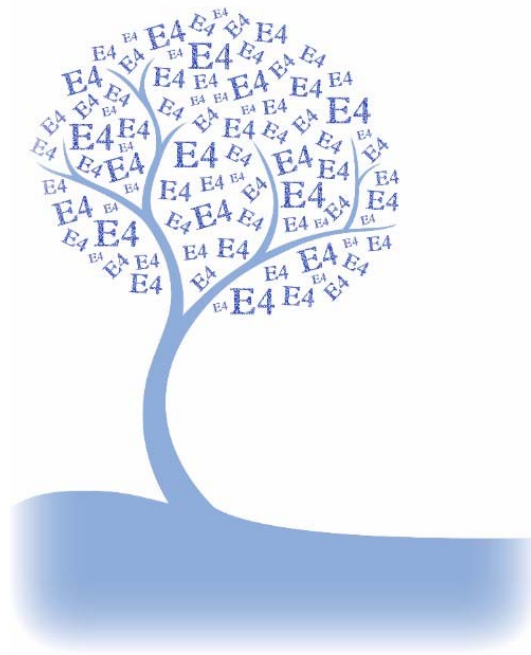

['Artificial plants' could turn carbon dioxide into fuel helping to reduce global warming](#)

E4environment is an environmental consultancy that has been providing professional, practical advice and expertise to both the private and public sectors on a wide range of environmental issues since 2000.

If you have any queries regarding the environmental aspects of your business or project, then give us a call on 01743 343403 or email eloise@e4environment.co.uk

Many of our Green Achiever Members use Tree Sponsorship as a way to demonstrate their commitment to reducing their impact on the environment. You could even sponsor a tree as a **gift to an employee** who has shown the most dedication to environmental issues! Perfect for a office reward, birthday's, or demonstrating CSR.

Sponsorship costs only £10 per tree - you will receive a personalised certificate with an image of your tree and an individual identification number. For more information, please visit our website [here](#), contact emma@e4environment.co.uk or call us on 01743 343403.

Before you go...

[Can plastic roads help save the planet?](#)

[10 emperor penguin facts for World Penguin Day - in pictures](#)

['World's oldest fungus' raises evolution questions](#)

Things to look out for in the coming month

[May 13th – World Fair Trade Day](#)

[May 29th – 4th June – National BBQ week](#)
