E4environment is an environmental consultancy that has been providing professional, practical advice and expertise to both the private and public sectors on a wide range of environmental issues since 2000.

If you have any queries regarding the environmental aspects of your business or project, then give us a call on 01743 343403 or email zoe@e4environment.co.uk

Many of our Green Achiever Members use Tree Sponsorship as a way to demonstrate their commitment to reducing their impact on the environment. You could even sponsor a tree as a **gift to an employee** who has shown the most dedication to environmental issues! Perfect for a Christmas gift, secret Santa, or end of year recognition.

Sponsorship costs only £10 per tree - you will receive a personalised certificate with an image of your tree and an individual identification number. For more information, please visit our website [here](#),
